

# A memorial to 9/11 is being built in Shawnee Township *and you can be a vital part of it.*

In the timeline of history, there are few dates with more meaning to Americans than September 11, 2001, the day terrorists killed 2,986 innocent people. As time marches forward, the events and consequences of that day cannot be allowed to fade into obscurity. A group of citizens and community leaders have formed the Allen County 9/11 Memorial Foundation to raise funds for a monument to be located next to the Shawnee Township Fire Department and to create an educational program to keep the memory of 9/11 alive, especially for students.
